ET SEQ OF THE CODE OF VIRGINIA AS AMENDED.**

The municipal, industrial or private facility owners on the attached list have applied for issuance, reissuance or amendment of a permit to either discharge treated wastes into the waters of the Commonwealth of Virginia (VPDES); handle waste and wastewater in a manner that does not involve discharging to a sewage treatment works or to state waters (VPA); or withdraw surface water, impound non-agricultural waters or impact surface waters such as by land clearing, dredging, filling, excavating, draining, or ditching in open water, streams, and wetlands (VWP).

On the basis of preliminary review and application of lawful standards and regulations, the Department of Environmental quality (DEQ) proposes to issue/reissue/amend/terminate the permit(s) subject to certain limitations and special conditions. These proposed determinations are tentative.

**PROCEDURES FOR FORMULATION OF FINAL
DETERMINATIONS**

Persons may comment in writing to the DEQ on the proposed permit within 30 days from the date of newspaper public notice. Comments shall include address and phone number of the writer, and shall contain a complete, concise statement of the factual basis for the comments. Only those comments received within this period will be

considered by the DEQ. The DEQ may, upon request or upon its own motion, decide to hold a public hearing if it determines that public response is significant. As of September 1, 1985, the mailing notice will be informational only and is considered to be confirmation of newspaper notices and not the official notice for comments.
